

FROM WET TO DRY LAB, THERE AND BACK AGAIN

A talk with PhD students
about multidisciplinary research

**Wondering what to do after
your master's degree?**

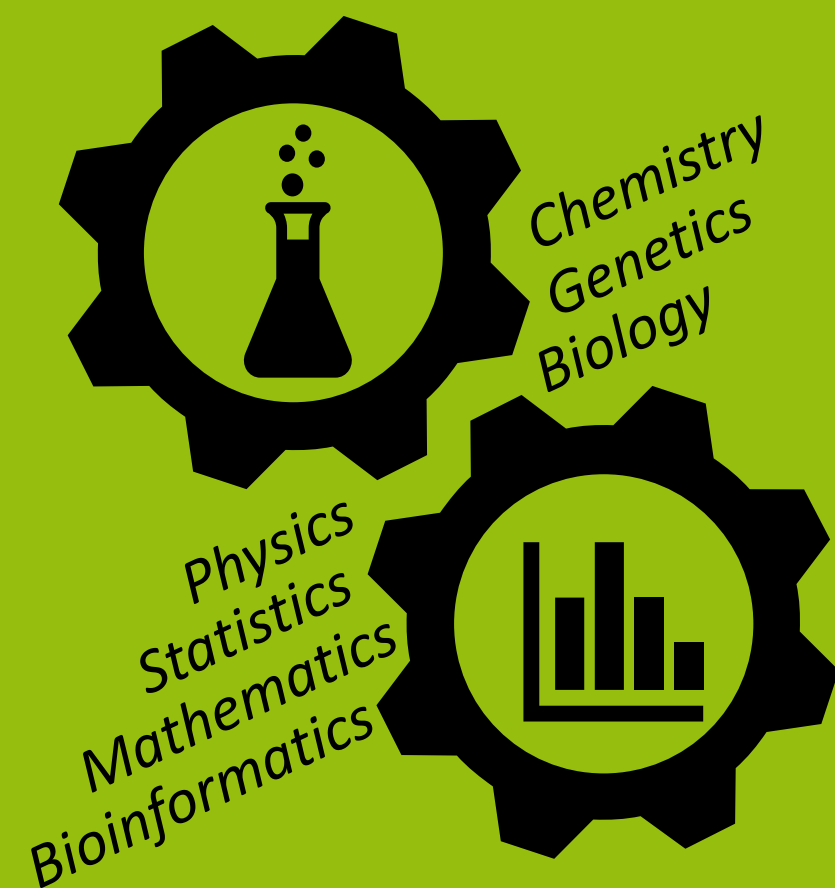

**Not sure whether to stay in
academia or go to
industry?**

**Interested in collaboration
with other sciences?**

**Want to know the pros and
cons of moving abroad
for PhD?**

**Ever heard about Marie
Skłodowska-Curie
Actions?**

**COME AND FIND
YOUR ANSWERS!**

18 June 2019 -18:00

Amfiteatar A1-1

**Faculty of Science,
University of Split**
